INTERNAL MEMORANDUM

TO: Personnel File -- J. Smith (E-10442); Compliance File C-2024-019
FROM: Linda Pruitt, Director, Human Resources & Compliance
DATE: April 30, 2024 (supplemented May 7, 2024)
RE: Report of William Marsh concerning Patapsco Freight Services invoices

---

On April 29, 2024, Night Shift Supervisor William Marsh met with me to report concerns about invoices from Patapsco Freight Services approved by Operations Manager John Smith. Mr. Marsh stated that he had been asked by a carrier dispatcher why Acme was paying a drayage company "nobody has ever seen," and that when he checked the yard logs for the dates on the invoices he could not find a single Patapsco trailer. He stated that the per-trailer price on the invoices was also well above our contract rates.

Mr. Marsh asked that his report be kept confidential. I told him that the company will protect his identity to the extent possible but that an investigation will likely make the source apparent. Will said he understood and that he will cooperate fully. He also disclosed, for transparency, that he had applied for the operations manager position in 2019 and that he and Mr. Smith "have not been friends since." I note this for completeness; it does not affect the documentary findings below.

Preliminary review: Accounts Payable confirms fourteen Patapsco invoices paid between January 12 and April 26, 2024 (INV-2024-00217 through INV-2024-05831), totaling $63,450.00, each approved solely by J. Smith under his $10,000 limit. The vendor was set up in our system on December 21, 2023 with a W-9 listing a taxpayer number ending in 6789 and the address 1418 Elm Street, which matches Mr. Smith's home address in his personnel file. The vendor setup request was entered under Smith's login.

Actions: (1) Mr. Smith's approval authority was suspended effective May 1, 2024; his badge was left active at the direction of outside counsel so as not to alert him before interviews. (2) On May 3, 2024 at approximately 10:40 p.m., the operations office was entered and the vendor binders removed; the guard on duty, Darnell Price of Ironclad Security, was injured. (3) On May 7, 2024, Mr. Smith was placed on administrative leave. Johnny, as most of the floor knows him, has not contacted the company since.

May I note for the file that Mr. Marsh has been asked not to discuss this matter with staff, and that Marsh has complied as far as I am aware.
